

## **Digital India Talk Show organised at the Kohima Science College in Nagaland**

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a Digital India Awareness Workshop- 'Digital India Talk Show' in collaboration with the Kohima Science College, a government autonomous college in Kohima, Nagaland on July 17, 2025.

More than 400 students and faculty members participated in the programme and were presented with an opportunity to learn about various Digital India initiatives and ask questions to the experts from NeGD.

The event commenced with a welcome address by Dr. Temjenwabang, Principal of the Kohima Science College. Present alongside were Mrs. R Moasangla Jamir, Vice-Principal, KSC; Prof. Limatemjen, Dean (Academics); Dr. Lilongchem Thyug, Coordinator, IQAC; Mr. Teisovi Gerad Meyase, Controller of Examine, and Mr. Ajay Kumar, Additional Director, NeGD.

The workshop included sessions on key initiatives under the Government's flagship Digital India programme viz. DigiLocker, UMANG, Open Forge, Cybersecurity, Digital Personal Data Protection Act 2023, ABC(APAAR)-NAD, and awareness projects such as the MANAS portal & helpline and Visvesvaraya PhD Scheme.

A Digital India Quiz was also organised to engage with students and about 15 students who answered informative questions won exciting Digital India gift hampers.

The event aimed at fostering digital awareness among the youth and educate students, young professionals about major initiatives under the Digital India Programme, enhancing their understanding of India's digital transformation journey.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities, especially in the technological domain.
