

Digital India Awareness Workshop conducted at National Law University, Delhi

Students delve into Digital India initiatives through interactive sessions

Delhi: The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology, Government of India, organised a Digital India Awareness Workshop at National Law University (NLU), Delhi, on February 9, 2026.

NeGD experts, students, and faculty joined hands for sessions spotlighting the core pillars of the Digital India programme.

Key Workshop Sessions

- Session on DigiLocker, demonstrating secure handling and easy access to digital documents.
- Session on Cybersecurity & Digital Personal Data Protection Act, 2023, to foster safe and ethical digital practices.
- Session on OpenForge & UMANG, highlighting open-source partnerships and unified government services.
- Session on myScheme, focusing on streamlined access to citizen welfare schemes.
- Session on Academic Bank of Credits (NAD-APAAR), promoting academic mobility

These interactive sessions allowed students to engage directly with experts, addressing queries on e-Governance rollout and innovation opportunities. A

Digital India Quiz ignited enthusiastic participation, with 15 top scorers awarded prizes.

The Digital India Awareness Workshops form a vital part of NeGD's nationwide outreach, empowering youth with hands-on knowledge of digital platforms.
