Clarification on some news reports on the “new look” of Aadhaar

Posted On: 03 MAY 2026 4:16PM by PIB Delhi

There are intermittent news reports and social media posts explaining how Aadhaar’s look may change by the end of this year to just a photo and a QR code, alone.

This is NOT CORRECT. There is no plan for any such changes.

Such news reports and social media posts are creating unwanted confusion in the minds of the people.

People in general are advised to ignore such reports and social media posts, and refer to official communication from UIDAI through its official social media handles and press releases issued through PIB. Media is also advised not to encourage such information.
